OFFICE OF THE ~~DEPUTY COMMISSIONER.~~

MYSORE DISTRICT.

Dated, Mysore 5th July 1901.

To

Sir,

Referring to Government Proceedings No: 17387-97/J1716 dated 26th June, 1901, modifying the Rules framed under the Mysore Arms Regulation, so as to make the licenses issued under those rules current up to the end of the Calendar, instead of up to the end of the Official year, I have the honor to state as follows: –

2. The above order of Government was received in this Office on the 2nd instant, and by that time, about 400 applications for the renewal of Gun licenses for the year (Official) 1901-1902 had been received from the license-holders. All these applications have been written on Stamp papers of the value of 4 Annas. As

it will take sometime before the new order is widely known, applications engrossed on stamp papers of 4 annas in value, still continue to be presented.

3. The Government order adverted to, directs that only half of the prescribed fees should be levied on licenses issued for the half year ending 31st December 1901, and I presume that the excess fees paid by the petitioners referred to will have to be refunded to them.

4. - Considering however the fact, that a large number of license applications for the Official year 1901-02 have been written on stamp papers of the value of 4 annas, and that it would entail a great deal of labour and difficulty in refunding the excess fees to the parties concerned, I would beg to suggest that Government may be pleased to direct that only half

the prescribed fee be levied on licenses for the calendar year 1902, provided that the applicants have paid up the deficiency on the licenses issued for the previous half year.

With reference to Government Proceedings No. 17387-92 J. 1716, dated 26th June 1901 directing that all licenses issued or renewed under the Arms Regulation may be made current upto the end of the calendar year 1901, levying only one half of the prescribed fees &c, I have the honour to state as follows:-

2. Before the receipt of the above Government Proceedings, nearly three-fourths of the licenses had been renewed

renewed on full payment of the prescribed fees, up to the end of the official year 1901-1902 and despatched to the Talukdars for delivery to the respective licensees; and as it is not practicable to refund the excess fees paid by the license holders, I have issued orders to the Amildar-Magistrates to get back all the licenses from the license holders and to alter the period of currency to 31st December 1901 and to note in the licenses that half the amount now paid by the license holders will be treated as part payment of fees for renewing the licenses for the calendar year 1902.

3. Licenses in Form No. VII have been ordered to be made

current

current upto the end of December (i.e. six months preceding the end of the official year to which they may have been issued or renewed).

4. I herein enclose for the information of Government a copy of the circular orders issued by me to the Amildar-Magistrates on the subject and request that Government may be pleased to approve of the arrangement.

I have the honour to be,

From K. S. Venkanna Chetty Esqre

To L. Anantaseranni Rao Esqre B. A.
Offg. Secretary to the Govt of Mysore
General and Revenue Departments

Sir,

In submitting herewith Stamp papers as per margin for the refund of Value amounting to 25 rupees, I have the honour to state as follows:

2. Licenses under the Explosives Regulation were being issued in this District for the term embraced by the official year similar to the licenses granted under the Arms Regulation, in order to facilitate the preparation of the annual statements on the working of the Arms and Explosives Regulations which had to -

Names of License holders	Value of Stamp Paper Levied	Value of Stamp Paper refunded

3. Rittachar	20. " "	10. " "

×

to be submitted to the Inspector General of Police at the close of the official year.

3. Government in their Proceedings no 17386 / 1715 dated 26th June 1901 allowed the period of currency of licenses under the Arms Regulation to the end of the calendar year and ordered that one half of the prescribed fees should be levied for all licenses issued or renewed for the period from 1st July to 31st December 1901. Licenses under the Explosives Regulation were also made current up to the end of December 1901 as per instructions conveyed in letter no 382 Mn / 15-0 dated 1st May 1901 from the Secretary to the Government Geological department.

4. As the full prescribed fees had already been levied from the licenseholders both under the Arms and

and Explosives Regulations on
the understanding that the licenses
would be made current up to the
end of June 1902, the District
Magistrate ordered that the license-
holders might pay only one half
of the prescribed fees while applying
for the renewal of licenses for the
calendar year 1902. But this arrange-
ment is that the excess amount
already paid by the Licensees under
the Arms Regulation as part pay-
ment of fees for renewal of their
licenses for 1902 was not approved
of by Government (Proceedings
No. 7311-13/J 610 dated 7th November 1901)
who were pleased to order that
full prescribed fees should be
levied for each license renewed
for 1902 and that the excess fees
paid by the applicants might be
refunded to them in accordance
with the provisions of clause 2
of section 45 of the Stamp Regulation.

The

the provisions of the above Govern-
ment Proceedings were ordered to
be made applicable to the licensees
renewed under the Explosives
Regulation in Geological Secretary's
letter no 670-S dated 6th February
1902.

5. Accordingly full fees were levied
for all licenses renewed for the
calendar year 1902 and the licensees
were told to apply for refund of
the Excess fees paid by them on their
licenses for the half year, 1st July to
31st December 1901.

6. Applications for the refund
of Excess fees levied from the
license-holders under the Explosives
and Arms Regulations (Form II)
have been received and I beg to
state that the matter under reference
being of an unusual and special
nature, the restriction of 3 months'
time for presentation of application
for refund as laid down in Section

65

65 of the Stamp Regulation may I think be waived in favour of the licensees.

7. I also beg to suggest, in order to save the necessity for frequent references to Government, that should the Government see no objection, the Deputy Commissioner may be empowered to order on each application that may hereafter be received by the District Magistrate, the refund of the excess amount paid by the license holders and report the matter for the information of Government.
